# New Jewish Wedding, Revised

## Synopsis

The Definitive, Completely Up-to-Date Guide to Planning a Jewish Wedding Since its original publication in 1986, *The New Jewish Wedding* has become required reading, assigned to engaged couples by Conservative, Reform, and Reconstructionist rabbis alike. In this new revision, Anita Diamant, one of the most respected writers of guides to Jewish life, continues to offer step-by-step guidance to planning the ceremony and the party that follows -- from hiring a rabbi and wording the invitation to organizing a processional and hiring a caterer. She also includes: A new chapter focusing on converts, non-Jews, and same-sex couples Essential Web sites All new art, with examples of ketubot, invitations, and other wedding paraphernalia New poems and new translations of the seven wedding blessings Complete, authoritative, and indispensable, *The New Jewish Wedding* is a must-have resource for anyone who wants a wedding that combines spiritual meaning and joyous celebration.

## Customer Reviews

Many of my new invitation or "ketuba" clients walk in my door with Anita Diamant's "The New Jewish Wedding" in hand, with page markers sticking out and underlined text throughout. If they don't, I pull out my copy to show them why they need this book to prepare for their wedding. Just as my clients know they need a "ketuba," yet don't necessarily know anything about the meaning, history and purpose of this marriage contract, they also don't know about many of the other Jewish wedding customs. This is totally understandable, for they have never needed to know until now. The richness and meaning of Jewish wedding customs and rituals is enhanced immeasurably when couples

understand why they are included in their celebration and ceremony -- and not just because "it's tradition!" Once they read "The New Jewish Wedding," couples have a much better understanding of the historical perspective of the rituals, helping in decision making about which rituals to include and what form they should take. They also have nuts and bolts information about everything from how to choose a rabbi, caterer, musicians, and location to seeking a personalized and artistic Jewish invitation and "ketuba." The dilemmas of mixed marriages and gay/lesbian ceremonies are handled with sensitivity, designed to help couples and their families approach complex issues. Poignant stories share how previously married couples enhanced various rituals to personalize them. The detailed descriptions of the parts of the ceremony help couples know what to expect and to be more comfortable with the Jewish wedding tradition. Suggested readings and blessings provide those who want to give their ceremony their own personal twist with ideas for adding to the core elements.
