Brannigan's Building Construction For The Fire Service Student Workbook

Synopsis

The Student Workbook contains exercises to reinforce what you will learn in both Branniganâ™s Building Construction for the Fire Service, Fifth Edition and the classroom. You will find a variety of exercises for each chapter, including:

- Multiple Choice
- Numerous multiple choice questions for each chapter prepare you for exams.
- Fire Alarms
- Scenarios help you develop your decision-making skills by describing emergencies and challenging you to come up with practical solutions.
- Labeling
- Cement your mastery of difficult concepts with illustration labeling activities.
- Word Fun
- Quiz your knowledge of terminology and spelling with crossword puzzles.
- Research Questions
- Explore real-world building construction in your community with these in-depth research exercises.
- And More
- True/false, fill-in-the-blank, short answer, and matching!

In case you have a question about an exercise, page references to Branniganâ™s Building Construction for the Fire Service, Fifth Edition are provided in the answer key for every question. Perforated pages make it easier for you to hand in homework assignments.

Customer Reviews

Contents covering the book are actually covering the community. There were so many topics and ideas were rising in my mind after seeing the topics at least i am satisfied and happy. Actually i love books collections of my field. But one thing i suggest with your permission that there should be more concession for NFPA members specially from underdeveloped countries. Thanks to for serving the world community.Regards,Abdul Karim NoonInstitute of Fire & Safety TechnologyMultan, Pakistan

I like that the tactical considerations are grouped together at the end of chapter.

Thanks
